

PARENTING CLASSES

for parents of children birth to 8 years old

Parents are invited to come together to share experiences, get new ideas, understand their child better, reduce stress and discover more about the pleasures of being a parent. Group activities and discussions will offer an opportunity to share child development questions as well as the daily adventures and mishaps of parenting.

Classes are free of charge and space is limited!
Please call the UCC registration office at 440-7744 to register for a class and to make a reservation for childcare.
